2867 ROB POOLEY: I don't see -- I can't imagine what could
2868 possibly be criminal about anything that happens here, so like
2869 I'm not too concerned about this.

2870 BRIAN DUBOIS: Okay.

2871 ROB POOLEY: I -- I think -- I find it kind of silly, you
2872 know. I understand when the FAA gets involved --

2873 BRIAN DUBOIS: Yeah.

2874 ROB POOLEY: -- and they look at the airplanes and stuff
2875 like that, but everything else, I'm like, ahhh.

2876 BRIAN DUBOIS: Okay.

2877 ROB POOLEY: I don't know who called who or who -- who's
2878 trying to make a point, but -- so anyway, I'm not too worried
2879 about this.

2880 BRIAN DUBOIS: Yeah.

2881 ROB POOLEY: I --

2882 BRIAN DUBOIS: Okay. All right. No. As long -- and again it
2883 just -- in having this open conversation [crosstalk 1:29:06]

2884 ROB POOLEY: Does this have to do with the new, um, the new
2885 regulate or the new -- what is it? A -- a new law passed that
2886 California can like supersede FAA regulation or --

2887 BRIAN DUBOIS: That's a California thing. We -- we don't
2888 deal with California laws [inaudible 1:29:22] --

3300 BRIAN DUBOIS: Okay.

3301 ROB POOLEY: That just has the basic show you the PDF
3302 functionality. --

3303 BRIAN DUBOIS: Yeah.

3304 ROB POOLEY: But other PDF programs can do all sorts of
3305 things.

3306 BRIAN DUBOIS: Okay.

3307 ROB POOLEY: Honestly I've -- I've never asked him that,
3308 but I can't imagine he prints everything out and signs it and
3309 rescans it, but maybe he does.

3310 BRIAN DUBOIS: And again, my big -- my -- my concern is you
3311 guys were sending him the documents after you trained somebody
3312 and he signing them from elsewhere.

3313 ROB POOLEY: Yeah. But that's just -- these -- these things
3314 can stretch for weeks and months. Someone can do part of their
3315 training and then they can only afford to do those practice
3316 jumps one a weekend, you know.

3317 BRIAN DUBOIS: Yeah. As they get money.

3318 ROB POOLEY: Yeah. So I send them to him at his home. They
3319 always would get scanned and sent to his email wherever he is.
3320 So it's not like we -- it's not like train-, yeah, -- he was out
3321 of the country -- he was in Russia like during that incident,
3322 but man --

3323 BRIAN DUBOIS: Well he was -- was he out of the country
3324 when Kwon was training?

3325 ROB POOLEY: No. He was out of the country when Kwon died.

3326 BRIAN DUBOIS: Okay. So when Kwon was trained, he was here
3327 with you?

3328 ROB POOLEY: I don't remember --

3329 PAOLO HERNANDEZ: Well and like --

3330 ROB POOLEY: -- We didn't -- we -- we didn't care that he
3331 was or wasn't. So I -- I wouldn't remember when he was or wasn't
3332 here.

3333 BRIAN DUBOIS: Okay. And I guess what I'm trying to clear
3334 up Rob, and please forgive me, it's -- I'm trying to grasp the
3335 concepts you're explaining --

3336 ROB POOLEY: -- Mm-hm --

3337 BRIAN DUBOIS: -- and you're doing a great job explaining
3338 it, I'm just - I'm having trouble wrapping my head around it.
3339 **Y.G.**'s signing off that he was available during this training.

3340 ROB POOLEY: Mm-hm.

3341 BRIAN DUBOIS: But it doesn't sound like that was always
3342 the case. Which maybe it's not necessary because you -- I mean
3343 you trained **Y.G.** but --

3344 ROB POOLEY: That's kind of how we looked at it. You know
3345 like --

3346 BRIAN DUBOIS: Okay.

3347 ROB POOLEY: -- it's silly that he would need to oversee
3348 anything.

3349 BRIAN DUBOIS: Yeah.

3350 ROB POOLEY: In our minds it's just a signature to appease
3351 the USPA.

3352 BRIAN DUBOIS: Okay.

3353 ROB POOLEY: What we were doing was fine with the
3354 manufacturer. It's just we need his signature to appease the
3355 USPA.

3356 BRIAN DUBOIS: Okay. Okay.

3357 PAOLO HERNANDEZ: So after he gets the signature, he signs
3358 it and he sends it back here to the Center?

3359 ROB POOLEY: No.

3360 PAOLO HERNANDEZ: Or he -- he's the final --

3361 ROB POOLEY: -- He sends it to -- he sends it to USPA. Just
3362 like a foreign individual shows up, he's already trained,
3363 they're already trained. And this is just fill out the
3364 paperwork, sign it. It has nothing to, you know, actual training
3365 and signatures --

3366 BRIAN DUBOIS: -- [inaudible 1:44:57] --

3367 ROB POOLEY: and then they're like, ahhh. But it got us in
3368 trouble, so. That a -- it's a poor attitude to have.
